# Language courses

## Learn or improve your knowledge of a foreign language!

Our lecturers are professors of English/German/Russian/Italian/Spanish/Croatian language and literature with many years of experience in teaching. Professors are also fluent in English, so you can completely rely on them! They organized the curriculum according to CEFR, ie ZEROJ (Common European Framework of Reference for Languages).

The lessons are organized to cover all aspects of learning a language: reading, writing, and speaking. Language and grammar exercises, reading, and writing exercises are held exclusively in language of your choice.

### In our sessions you can find:

- vocabulary and grammar exercises
- pronunciation activities
- interactive language activities
- cultural information
- homework assignments

### Languages we offer:

- Croatian
- English
- German
- Russian
- Italian
- Spanish

### Learn about the language, culture, and history!

Choose between individual and group lessons (maximum of 8 students per group). Our dedicated teachers will work with you on your language skills.

If you are a team player and aspire to an international environment, a group course is for you, and if you want a completely individualized approach, sign up for an individual course. Amor Lingua College also offers a third-course type, the so-called "crash", which is a combination of group and individual courses.

All our professors use modern methods of work through a creative approach to fast and quality learning. Learning a language doesn't have to be boring! All our professors are, also, available for e-mail and chat consultations if you have more questions after the lesson.

After our course, conversation in chosen language will be easy.

### Take the free online level (placement) test to estimate your level of knowledge!

Complete the test and receive your score immediately without any commitment.

# Our professors

## Ella Murseli

### Web design

My name is Ella Murseli and I teach web design. I find life without imagination boring and that anyone who allows themselves to be at least a little relaxed is at an advantage. In this course, through lectures and a project, I try to provide the necessary knowledge and tools for visual design and raising the website. The emphasis is on the stylization of the graphical user interface and all the necessary elements so that the resulting template can come to life as a functional WordPress page.

## Ivana Tolić

### Marketing and digital marketing

A lover of Google and everything digital. Experienced eCommerce manager with many years of experience in online sales and marketing. By profession - Master of Economics, specializing in marketing, especially digital marketing. I have been continuously improving my knowledge for years through practice, professional education, and independent learning, and following trends. Always ready to share the same with everyone who wants new knowledge with a systematic approach, friendly performance, and, of course, with a dose of humor, because marketing is ultimately a serious creative game.

## Ivan Gnječ

### Movie Animation and Comic Book Design

Experienced Electronics Engineer with a demonstrated history of working in the electrical and electronic manufacturing industry. Skilled in Analytical Skills, HR Consulting, Databases, Layout Versus Schematic (LVS), and English. Strong education professional graduated from University of Zagreb/Sveuciliste u Zagrebu.

## Doroteja Stipčić

### English language

I am a teacher from the beautiful city of Zagreb. I fell in love with teaching while I was working as an assistant in class. Since then, I started my teaching education and career. I love learning new ways to enrich my lessons. For me being a teacher is not only teaching children facts about some subject; it is also teaching them how to express themselves, learn life skills and realise that learning is a fun process. In my free time, I love travelling, dancing, meeting new people and learning new skills.

## Marija Musulin

German language

I am a German teacher from Zagreb. I've been learning foreign languages since childhood and I've always known I would be a teacher. My mission is to break the stereotypes about German as a language, that's hard to learn. When I teach, my focus is on communication, and grammar is just the tool for a successful conversation. In my spare time, I enjoy salsa dancing, walking and hiking.

## Siniša Švast

Italian language

I am Siniša, and as a native speaker, I am a lecturer of the Italian language and culture. During the lecture, I try to bring the students closer to the beauty and charms of the Italian language, Dante's language, the most beautiful language in the world in a simple and above all witty way. When I'm not teaching and doing pharmacovigilance jobs, I like to travel and get to know the culture and customs of other nations, and above all, I like to experiment by preparing exotic dishes.

## Tea Balta

Russian and Croatian language

Professor and translator of Russian and Croatian languages and literature in love with the foreign languages, literature, art, and culture. I have a strong affinity for travel and photography. I believe in learning through experience and in my lectures, I put communication with the students first.

## Dominik Rajačić

Spanish language

I am a Spanish language professor from Zagreb, and in this teaching job, I like mutual learning the most. While I pass on my knowledge of language and culture, I also learn from my students. Through teaching, I learn a lot about them, but also about myself and my teaching methods. Students help me to develop and be even better in my work every day.

## Amor Siempere

English and Spanish language, Blue Butterfly camp

I am a teacher from Miami. I love utilizing my teaching experience and skills to promote ESL and provide my students with the confidence and tools they need in order progress quickly and efficiently. I enjoy expanding my knowledge both fundamentally and culturally as well as doing yoga reading, running and spending time with my family.
